

Technical Data

TOUGH WIPES **INDUSTRIAL HAND CLEANING WIPES**

TOUGH WIPES are industrial strength hand cleaning wipes that are capable of removing oil, grease, paint, ink and adhesives. The textured side of the wipe will gently but efficiently remove all ingrained contamination. The smooth side of the wipe will effectively retain contamination and will prevent re-soiling of the hands.

Tough wipes are impregnated with an effective cleaning and conditioning solution designed to be gentle on hands but tough on contamination, therefore Ambersil Tough Wipes can assist in the prevention of skin disorders such as occupational dermatitis. Hands are clean and dry in one application, all without the use of water. Tough Wipes have been assessed under the Cosmetic Products (Safety) Regulations 1996.

Tough Wipes also contain a bactericide highly effective against Weils Disease (Leptosira)

TYPICAL APPLICATIONS

- Hand cleaning
- Removing difficult contaminants, such as adhesive, gasket residue, bitumen, silicone, ink, oil, grease, lubricants, paint
- Mobile or remote applications, such as service engineers
- General component or plant cleaning

ADVANTAGES

- Optimum dose of cleaner applied to the wipe
- Excellent cleaning power – even on tough contaminants
- Replaces liquid chemicals and rags on the shop floor
- Convenient, simple and safe to use
- Combats Weils Disease
- Virtually no odour
- Leaves no residue

KEY FEATURES

- Non hazardous to user or environment
- High absorbency – contamination stays on wipe
- Textured material assists cleaning power

PHYSICAL PROPERTIES

Appearance	:	Orange textured impregnated wipe
Odour	:	Sweet / soapy
Safety Profile	:	Non hazardous
Specifications Approvals	:	Assessed under Cosmetics Products (Safety) Regulations 1996
Wipe Size - 100 Tub	:	266 x 280mm
Wipe Size - 30 Tub	:	266 x 220mm
Wipe Size in individual sachet	:	194 x 205mm
Pack Sizes	:	1 x 1000 sachets 4 x 100 wipes 24 x 30 wipes

STORAGE

- Store wipes in original containers
- Storage range 0°C – 25°C
- Minimum shelf life 24 months

HEALTH AND SAFETY

Health and Safety sheet available separately.

TECHNICAL SERVICE

Ambersil provides a technical support service and maintains a constant programme of research and development. We are able to assist customers by specific product development to meet particular requirements.
