

HDMI Extender over Cat5e/Cat6

Technical Information

Introduction

HDMI extenders are a great way to provide cable connections for HDMI signals over long distances

- Supports 1080p over distances of up to 50m over a single Cat6 cable (longer distances are achievable at lower resolution)
- Works with Cat5e and Cat6 unshielded and shielded cables
- HDCP compliant

Part Code

802089 — HDMI Extender Kit 1080p @ 60m
Cat5e/6 HDMI1.3-HDCP

Product Attributes

AV Inputs	1x HDMI-In
AV Output	1x HDMI-Out
HDMI-HDCP	HDMI1.3-HDCP
Resolution	1080p @ 50m
Power	2x PSU
Cabling	Cat5e/6
