## FST 13 Port Closure FSTTB-AXXTA21 A Length, Article number: 857-00617

### Technical Description

The FST 13 Port closure is supplied with a Polypropylene base. The base configuration of 12 round ports and 1 oval port covers a cable diameter range of 1.7 – 16.5mm when using Cablelok mechanical seals. The mounting system is manufactured from Grade 304 stainless steel and can accommodate a maximum of 3 Hellapon Small trays or 1 Hellapon Small tray and basket giving a maximum of 36 fibre splices based on 12 splices per tray. The fibre basket provides storage space for the storage of fibre loops within the closure. The tubed closure and the position of the mounting system allows for ease of access and traceability of the fibre on to the trays. The trays are white which makes it easy to see the colour of the fibre elements as they are routed through the fibre management system and on to the trays.

### Features

- Maximum 36 fibre splice capacity
- 12 round ports and 1 oval port
- Fibre storage basket for loop through applications (Hellapon Small 1 tray version only)
- Accommodates Hellapon Small trays
- Maximum 12 splices per tray
- Splitter accommodation
- Cablelok compatible for all port sizes
- Quick release cover
