

# Black Under Desk Power Units

## Technical information

### Introduction

A range of durable black plastic UK Power socket pods for installation under desks. These Power pods come a range of UK socket configurations, with or without a main power switch. All units feature UK Power sockets with integral fuses rated at 5A or 3.15A. All have GST 18 Start lead connections and must be used with the relevant GST Start power lead available in different lengths.

- Available with 2, 4 or 3 power sockets
- All terminated with GST Power Connectors
- Comply with BS1363, BS5733 and BS6396 standards
